

AUTONOMOUS SPACE CONFERENCE

SAPANG PALAY, BULACAN
NOV. 16-17, 2014

OnSite Info shop is a community-based resource center run by autonomous activists and anarchists and has local volunteers from OnSite Community. It struggle to exist to provide venues to share critical information and relevant skills appropriate to marginalized people.

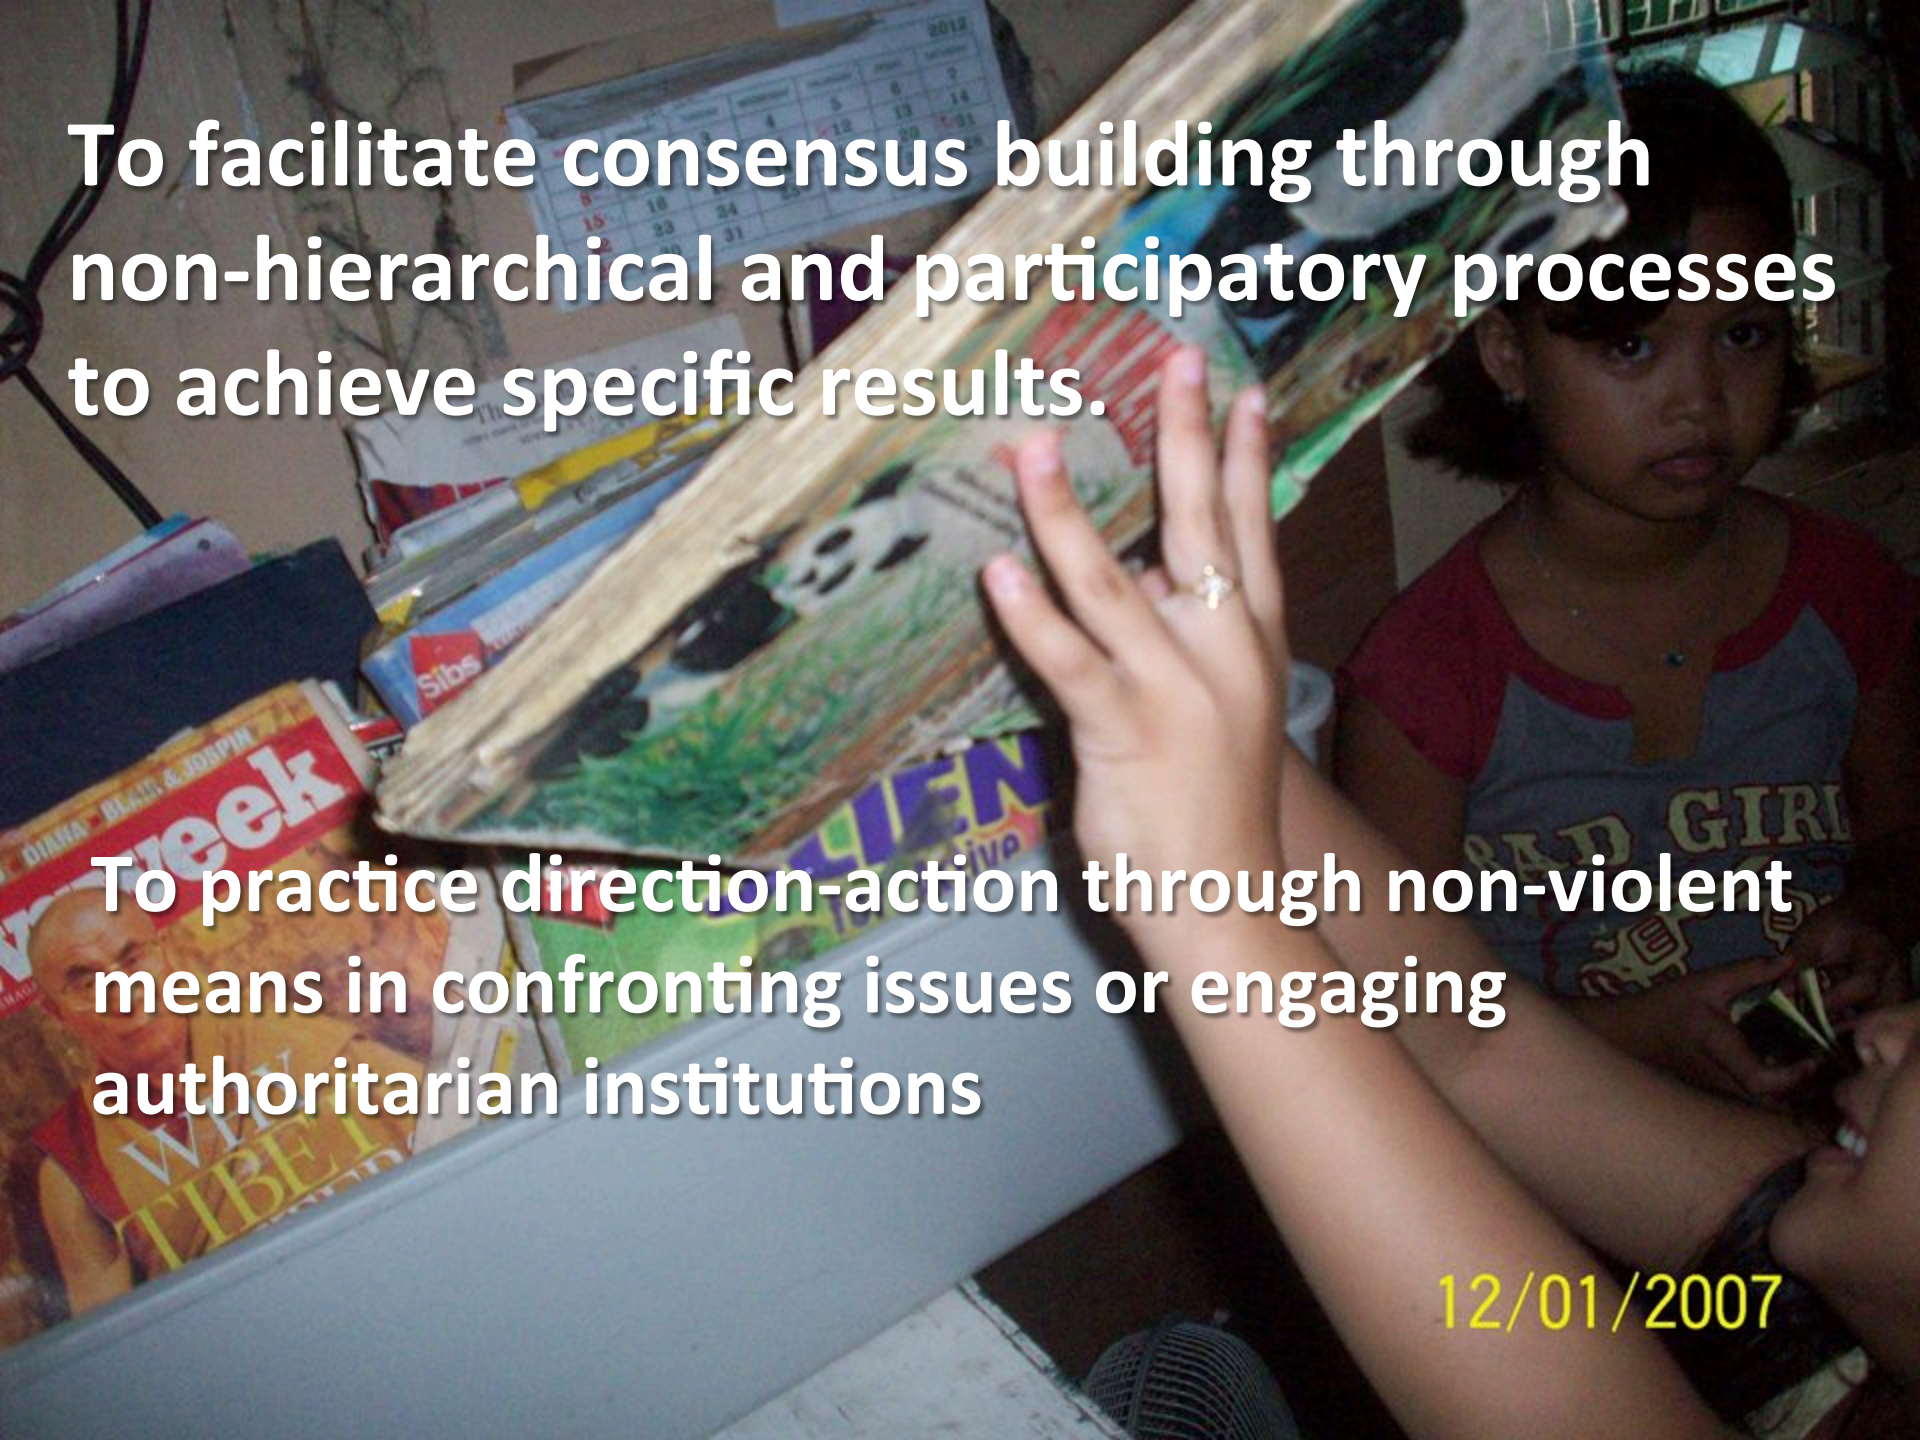

OUR GOAL

Promote critical awareness and anti-authoritarian
Thinking through dialogue among marginalized
communities, collectives and autonomous groups to
process opinions, views and analysis on specific
issue/event and relevant occasion.

Sharing of relevant skills among collectives,
interested people and marginalized
communities.

12.06.2013 14:37

To facilitate consensus building through
non-hierarchical and participatory processes
to achieve specific results.

To practice direction-action through non-violent
means in confronting issues or engaging
authoritarian institutions
